Scribner Announces Committee Assignments

Legislator will return as Ranking Member of Transportation Committee

HARTFORD - State Representative David Scribner (R-Brookfield) today announced his committee assignments for the 2005-07 legislative term.

The Brookfield Representative will once again serve as Ranking Member of the legislature's Transportation Committee, allowing the Brookfield representative to continue active involvement and oversight of projects such as the Route 7 bypass.

Representative Scribner will also be serving on the Finance Revenue and Bonding Committee, and the Banks Committee.

"It is a pleasure to return as Ranking Member on the Transportation Committee," said Representative Scribner. "Connecticut's transportation issues will be a major focus of this legislative session, and there is a lot of work to do on this committee. There are also projects directly impacting Brookfield and Bethel, such as the Route 7 bypass, which I will be keeping constantly in touch with."

Scribner also note that he was pleased to return to the Finance and Banks committees. "Both committees will have important bills to consider before them in the early stages of this legislative session. I look forward to working on and improving these bills before they reach the House floor."

Representative Scribner was re-elected to serve his fourth term representing the 107th District in November of 2004. The new legislative session kicked off on January 5, 2005, and will conclude this June.
